

## BE A RAY OF HOPE & HELP END VIOLENCE AGAINST WOMEN

Our annual Ray of Hope Walk 2016 will be held in 3 cities this year, New York, Chicago and Berkeley! We walk to raise awareness of the violence and many forms of oppression women face everyday. Sexual assault, rape culture, human trafficking and domestic violence are so prevalent in our communities and sisterhood. We must take a stand and plant the seeds for hope and change. Therefore, Omega Phi Beta Sorority, Incorporated selects an organization whose mission is to uplift and empower women nationally through trainings, direct services, and/or mentoring and donates the proceeds to the organization to help support their work. Join us this year and be a ray of hope to end violence against women.

### Our 2016 Beneficiary: [AF3IRM](#)

*With the slogan “a woman’s place is at the head of the struggle,” AF3IRM is an all-volunteer, grassroots organization whose members recognize the intersectionality of their struggles and the absolute necessity of women’s revolutionary resistance.*
